(This book is really, really, good! It gives several practical and simple steps to resolving conflict and bringing it to a resolution. Her book shows how to approach difficult situations for relationships to be strengthened rather than broken. Meeting face-to-face to resolve an issue is difficult, but Pegues makes it easier by revealing how to avoid complications, sharing examples of good communication, and offering specific steps for dealing with conflicts.). This book is truly dynamic and ...

Conflict Resolution. According to the Oxford English Dictionary conflict may be defined as 'the clashing or variance of opposed principles or beliefs' (2002, p. 484). Conflict, in itself, may be both good and bad; however the physical outcome of that conflict determines whether or not such a conflict is constructive or destructive. Advantages of conflict can include: People change and grow ...

Conflict resolution strategy #2: Avoid escalating tensions with threats and provocative moves. When we feel we're being ignored or steamrolled, we often try to capture the other party's attention by making a threat, such as saying we'll take a dispute to court or try to ruin the other party's business reputation. There's a time and place for litigation, but threats and other ...
